ACTIVITIES

MERITOR & PENSKE AWARD UTE TO O'REILLY TRUCKS

Congratulations to O'Reilly Trucks who took out the grand prize, a brand-new customised Mitsubishi Triton ute in Meritor & Penske's major promotion last year. The family owned and operated business based in Wagga Wagga services the Riverina and surrounds with quality truck, trailer, bus parts and service and has had the most significant growth in Penske's dealer network for a well-deserved win.

"This great result was achieved through a combination of hard work, teamwork, and offering a great service along with the great support from our loyal customers," Tracey O'Reilly, O'Reilly Trucks - Store Manager.

ACTIVITIES

TAJ MECHANICAL HIGHEST VOLUME SALES

Taj Mechanical in Geraldton, WA was awarded with a Meritor branded bar fridge for winning the Skipper Refresh with Red Promo. The team at Taj Mechanical took home the prize by achieving the highest volume of Meritor Red Brake Drum sales in the Skipper Dealer network. Please join us in congratulating them for their efforts.

ON THE ROAD

MERITOR DRIVEFORCE TRAINING

Kicking off the activities in WA after the announcement of Covid restrictions being eased, our Territory Manager, Matt Hart conducted training with the team at Major Motors Bibra Lake. The team members pictured below holding their certificates not only left with valuable information on Meritor and our product range but an eagerness to help grow the Meritor Aftermarket business with their new found knowledge and interest for our products.
