## PRODUCT INFORMATION EVENING

Meritor was invited to join Bayswater Truck Centre at their Product Information Evening. Craig Mullen and Ivan Cassar represented Meritor to showcase a range of Aftermarket parts. Amongst other suppliers we ran a Weber BBQ Package giveaway for anyone who purchased Meritor parts at the event. Congratulations to Dave Jackson for taking home the prize.

## MERITOR DRIVEFORCE TRAINING

Wayne Pulford our Queensland Territory Manager conducted training with Penske Parts and their service team at the Townsville branch. Our aim is to equip each participant with valuable Meritor product knowledge as we continue to expand our aftermarket range. In addition, we strive to offer periodic refresher training programs for new and existing team members within our dealer networks. Together we can work to service customers and their needs best with a better understanding of Meritor products and applications.
