## MERITOR<sup>®</sup> ALLFIT WHEEL SEALS

### ADVANTAGES

- 1 Four outside diameter seal points to ensure secure fit in the hub
- 2 Unique multi-zone labyrinth design provides the best protection and the lowest friction
- 3 Stiffer profile and thicker steel to withstand fitting forces
- 4 Rubber front face protects from brake heat
- 5 Unique low friction bumper significantly reduces run-in period, reduces required torque and keeps the seal cool from the outset
- 6 Large crumple zone/safety gap prevents internal damage
- 7 Wide inside diameter with three rubber-ribbed points to ensure proper sealing capability

### FEATURES AND BENEFITS

- Standard wheel seals feature a nitrile compound rubber (NBR) for the sealing lip
- Premium wheel seals feature a hydrogenated nitrile butadiene rubber (HNBR), offering additional advantages of higher temperature capability, greater wear resistance and compatibility with all known synthetic lubricants
- The multi-zone labyrinth design and low-friction barrier deliver unmatched durability and protection against dirt, grime, water and other contaminants
- The bumper transmits the fitting force from the front of the seal to the outer diameter, and acts as the first defence against contaminants
- The seal provides outstanding lubricant retention and protection against contaminants, but they are also easier to install, which significantly decreases the potential for damage during installation

MERITOR PART NUMBER	INDUSTRY CODE	APPLICATION	GRADE

**MERITOR**

July 2014

After a very long and distinguished career.....XpresswayPlus.com will be retiring as of 31st August 2014.

The screenshot shows the XpresswayPlus.com website. At the top left is the Meritor logo. The main header includes the site name and a 'LITERATURE ON DEMAND' button. A navigation bar contains links for Home, Catalog, Customer Service, Reference Library, Company Store, Carrier Exchange, and Schedule Core Return. A 'Login' section offers language options: Brazil/English, Brasil/Português, and NorthAmerica/English. A 'Visual Search' section features an image of a truck part. Text prompts users to register, sign up for core management tools, try visual search, access training courses, order literature, find distributors, or contact support. A footer contains copyright information for 2011 Meritor, Inc.

Please note all information currently on XpresswayPlus.com is now available on [www.meritorpartsonline.com](http://www.meritorpartsonline.com). Please ensure that you choose US & Canada for your American truck part references.

The screenshot shows the MeritorPartsonline.com website. The header features the Meritor logo and 'MERITORPARTSONLINE'. A search bar is present with options to search by Part, Meritor, Competitor, Customer, or by Keyword/Wild Card. The main content area includes a 'Home' section with a large banner for 'IDEAS DRIVING RESULTS' featuring a truck and a truck part. Below this is an 'APPLICATION SEARCH' section with images of product literature. A 'Featured Products' section is visible at the bottom. A large red arrow on the right side of the page points from the XpresswayPlus.com screenshot down to this screenshot.
