EMPLOYEE PROFILE - TONY SHANG

Role at Meritor: Financial Analyst
Year Joined: 2016

What is your background in Finance?

I graduated from RMIT University with a major in Economics and Finance. I found my first job within the hospitality industry as an Accounts Officer and then moved into manufacturing as an Assistant Accountant. I have also gained full membership of CPA Australia and this is one of the milestones so far in my career.

What is your role at Meritor and what is your biggest challenge?

I am the Financial Analyst for Meritor and a member of the Finance team. My biggest challenge is gather and analyse business data & information and then to make recommendations to management regarding future plans & actions.

What are your interests outside work?

I enjoy going to the gym and watching sports. I participated in the 2012 Wyndham Rotary fun run for the local community. These days, an additional interest I have is to play with my son, Alex.
