BULLS EYE SEPTEMBER 2017

**PRODUCT IN FOCUS -
Meritor® AllFit Temper-Loc Spindle Nuts**

Precise Positioning With Meritor® AllFit Temper-Loc Spindle Nuts.

The Temper-Loc precision single-locking nut system provides bearing adjustment with pinpoint accuracy; each Temper-Loc nut is manufactured to ultra-tight machining tolerances. The nut system sets optimal wheel-end preload maximising tyre life and vehicle uptime. With its unique chamfered mounting face, Temper-Loc is the exclusive spindle nut used in conjunction with the Doctor Preload bearing adjustment tool.

Features and Benefits

- Heat-treated nut face, for superior strength
- Fingertip control retainer ring, for ease of placement and positioning
- EasyView® verification of positive locking

Technical support staff will not be available.

Genuine VOR orders will continue to be processed during the stocktake period.

We would like to take this opportunity to thank you for your cooperation in this matter.

Warm regards,
Meritor Aftermarket Team

EMPLOYEE PROFILE - GORDON BALL

Role at Meritor: Warehouse Storeman

Year Joined: 2010

Tell us about your work experience.

I started my work experience as an apprentice chef at the age of 15 at the Commercial Hotel in Werribee. Over the next few years in the industry, I became head chef at other hotels including the Bridge Hotel in Richmond. I moved on from hospitality and gained work at Baiada, a poultry factory in Laverton, where I worked for 14 years. Having worked various roles at Baiada, I became warehouse assistant manager. This experience helped me secure employment at Meritor, where I have worked the last 7 years.

What is your biggest challenge within this role?

As a storeman there are challenges in ensuring everything in the warehouse runs smoothly. This role requires strong time management abilities and the flexibility to multi task as each person in the team works to keep the warehouse tidy, safe and efficient.

What are your interests outside work?

Outside work I enjoy go karting, fishing, watching AFL games and restoring old furniture. I also enjoy spending time with my family especially my 2 grandchildren.
