|------------------|----------------------------|
| Brake: | 16 1/2" x 7" Meritor S Cam |
| Normal Friction: | .503 |
| Hot Friction: | .495 |

FEATURES AND BENEFITS

- Durability for stop-an-go urban driving
- Provides strong brake power for all vehicle applications in severe service
- Superior all-around performance
- Ideal for trucks, tractors, trailers, buses, tippers and low loaders
- MG2A lining is a glass fibre based premium medium-to-high non asbestos friction material
- Meets the inertial dynamometer requirement of the FMVSS 121 brake standard
