WHY BUY MERITOR SHOCKERS?

Meritor shocks feature components that are made to last, including hardened and polished chrome piston rods and hydraulically energized self-compensating piston seals.

- Recognised brand
- Improved sealing
- Fine-tuned for the Australian Market

THE RANGE

Premium Adjustable Shocks

The Premium Adjustable shock can be converted to three positions - regular, firm and extra-firm. The regular and extra-firm settings allow operators to adjust the shock to create either a softer or a firmer ride.

Standard-Duty Shocks

Engineered for optimum day in day out performance, the Standard Duty shock is manufactured with robust components to help ensure longevity and durability on the road
