## SPECIAL NOTICE BRISBANE TRUCK SHOW 2021

We are excited to announce that we will be exhibiting at the 2021 Brisbane Truck show this May!

After two years since the last bi-annual show, the official countdown is on. Meritor is proud to be a part of the show supporting Heavy Vehicle Industry Australia with other exhibitors in the industry. From a year of uncertainty and a complete stop to all events, we are humbled to have this opportunity to showcase and introduce our latest product innovations at the first largest indoor show since Covid.

Enjoy a complimentary coffee on us, learn more about our products and/or participate in the Meritor Survey to get your hands on some exciting giveaway items. We look forward to welcoming those attending the show onto our new stand located in the Foyer no. 077. Please note due to Covid Guidelines in place, we ask visitors on the stand to respect our space capacity of 32 people allowed on at any given time and to maintain a social distance of 2sqm between yourself and others.

## ACTIVITIES MAKE YOUR CHOICE WINNER

***Pictured from left to right: Wayne Pulford, Jory Dunshea and Chris Lawler***

***Pictured: Jory Dunshea with the Gasoline Alley Harley Davidson team***

Penske Australia and Meritor Australia would like to congratulate Jory Dunshea, Managing Director of Custom Freight who is our lucky major prize winner for the Make Your Choice giveaway. Custom Freight has been in operation since 2015, with 15 employees and 3 depots located in Melbourne, Sydney & Yatala. The fleet includes 11 B-Doubles with renowned brands such as Western Star, Kenworth, Freightliner and Mercedes Benz servicing the East and West Coast. Custom Freight has a preference for North American truck brands such as Western Star and Meritor axles, brakes and drivelines. Thanks to the local support from Penske Brisbane and Aftersales Specialist Chris Lawler; Jory is now the proud owner of a brand new Harley Davidson Iron 1200.

## PRODUCT IN FOCUS

### BRAKE ROTOR AND BRAKE PAD KIT

## TRUST THE LEADERS IN BRAKES

Introducing new Meritor brake rotor and pad set to suit Bendix ADB22X.

PART NUMBER	DESCRIPTION	APPLICATION
M44DH802569	BRAKE ROTOR	BENDIX ADB22X 802569
MMD1369AF	BRAKE PAD KIT	BENDIX ADB22X SK7 802078

#### MMD1369AF:

COMPETITOR	PART NUMBER
ABEX	ADB1369
AUTOMANN	141D1369SD
BENDIX	K070796, K109113, ADB22X, K129276, K097519
HENDRICKSON	S29152, S291522
MARATHON	DSHP1369, DSTP1369
RAYBESTON	ATD369HD
STEMCO	ADT369LHP, AD1369L

#### M44DH802569:

COMPETITOR	PART NUMBER
BENDIX	802569
DAYTON PARTS BATCO	125804
HENDRICKSON	S2915217

## TECH TIPS MERITOR CAST ROTORS

Air Disc Brake

### MERITOR CAST ROTORS

ROTORS

Meritor Graphite Formulation (Type A) – long graphite flakes

**We start with the right stuff. And stop with it, too.**

Meritor rotors are designed for enhanced thermal properties to **extend life and improve fade resistance**. Lower temperatures during braking allow for **longer friction life and improved rotor durability**.

**How do we do it?**

Meritor rotors are engineered with high quality cast iron. The formulation and process produces long graphite flakes that efficiently conduct heat. Better thermal dissipation provides lower peak temperatures and therefore longer friction life.

Meritor Cooling Vanes – Meritor all makes rotors use the same cooling vane design as our Genuine first fit rotors. These vanes promote air flow through the rotor and reduce the overall weight.

*Refer to page 54 in the Air Disc Brake catalogue.*

## STANDARD OPERATING PROCEDURE AFTERMARKET STOCK RETURN POLICY

Dear Customer,

The following stock returns policy is to be implemented as per the dates and criteria below. All customer returns must be issued with an RMA (Return Material Authorisation} number before being returned.

When requesting an RMA the following information must be provided with your request:

- Purchase Order number
- Invoice number
- Part number
- Reason for return
- Clear photographic evidence of part and packaging

Please be advised if goods are returned prior to an RMA being issued, Meritor will not accept goods and the customer will be liable for any return freight charges incurred.

Effective December 1 2020 for all OEM customers and January 11 2021 for Independent and Export customers, there will be an increase in the restocking fee as follows:

**15% or \$35 (whichever is greater) to 20% or \$100 (whichever is greater).**

Please click on the “Find out more” button for further details.
