October 2024

MPX Features

Follow along this month's edition of *Xpress In Focus* to learn more about **five** of our MPX features. These highlighted features include:

- Open Orders
- Order History
- XACT Search
- Visual Search
- Visual Product Tool

1. Open Orders:

Your **Open Orders** are only one click away! From the XPRESS ACTION section, select Open Orders Report to download all orders for accounts associated with your user name.

XPRESS ACTION Most popular actions of registered users

Stock Upload / Quick Order

UPLOAD all orders for accounts associated with my user name

Price and Availability

UPLOAD or ENTER part numbers and quantity to obtain information

Cross Reference Exchange

UPLOAD competitive part number(s)

My Orders Portal

VIEW open orders, order history and order notifications

Open Orders Report

DOWNLOAD all orders for accounts associated with my user name

2. Order History:

Are you a registered user? If so, you have access to the last 12-months of Order History. From the My Orders portal select Order History; next, select Full Order-History File - All Ship To Locations to download all orders for accounts associated with your user name.

Display By: Order Level | [Item Level](#)

Order History

Includes Open Orders and Last 30 days of shipped orders.

[Full Order History File - All Ship To Locations](#)

[Clear Filter](#)

[Advanced Search](#)

[Return to My Orders](#)

[Download](#)

While on the Order History page, you have the option to view orders by Order Level or by Item Level (also known as part number level). To change to display by part number, select the blue hyperlink Item Level.

3. XACT Search:

[XACT Search](#) offers you multiple easy-to-use Selector Tools. Options include make, model, year or by application. Select from eight popular product lines to find your XACT part.

 <p>Brake Shoe Kits Vehicle type, required lining weight rating and application.</p> <p>Search</p>	 <p>Hydraulic Brake Caliper Make-Model-Year</p> <p>Search</p>	 <p>Hydraulic Brake Rotor Make-Model-Year</p> <p>Search</p>	 <p>King Pin Kits Make-Model-Year</p> <p>Search</p>
 <p>Meritor Tire Inflation System (MTIS) Configuration Selector</p> <p>Search</p>	 <p>Suspension Identifier Application Selector - Exploded View</p> <p>Search</p>	 <p>Trailer Axle Components Style Selector - Multiple Components Options</p> <p>Search</p>	

4. Visual Search:

[Visual Search](#) offers interactive enlarged parts views. This allows you to find the part information you're looking for or select a product category with educational visuals to help narrow your search results. Select the area which best meets your need to start your search!

5. Visual Product Tool:

Your selection process gets a lot easier as soon as you see this icon:

Our **Visual Product Tool** provides easy to follow graphics and images which allows you to quickly and easily drill down your product choices. Give it a try today!
