## Engage to Grow with Meritor's 2022 Monthly Product Seminars.

We are pleased to announce the Monthly Product Seminar schedule for 2022. We host an online product seminar on the second Wednesday of each month at 11:00 a.m. ET. Each session covers important information and updates on various systems, components and topics to keep parts and service personnel in the know. These live, interactive seminars are led by Meritor subject matter experts and include time for Q\&A so participants are able to receive direct answers to their questions.
