# 4 Easy Ways to Find the King Pin Kit You Need

Did you know there are four convenient methods on **MeritorPartsXpress** to find the right replacement king pin kit for your vehicle?

1. **Find King Pin Kit by Dimensions, Bushing Type, and King Pin Type.** Type "king pin" in the Part Number search bar. Then you can use the "Filter By" pane on the left to select the desired filters.

2. Find King Pin Kit by Year, Make, Model, and Axle of the Truck. Under Xact Search, click on "King Pin Kits", and then select the correct vehicle information.

**Xact Search: King Pins**

Make:  Model:  Year:  Axle:

**Make/Model/Year/Axle**

3. Find King Pin Kit by Competitor Part Number. Under the Interchange search bar, enter in the competitor kit number.

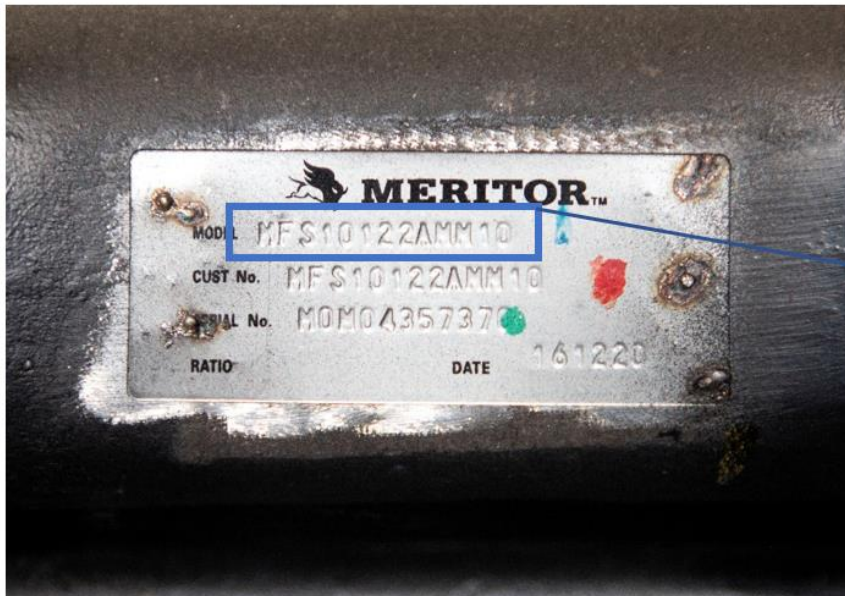

**Interchange Search Bar**

Search results for "king pin" (1114 matches.)

4. **Find King Pin Kit by Axle Tag (Meritor axles only).** Locate the silver axle tag on the steer axle. Record the axle model from the tag and enter it into the MeritorPartsXpress part number search bar. Click on the Axle Model in MeritorPartsXpress. Finally, click on the "Service Kits" tab if available to see any related service kits.
