## Two Ways: Suspension Search Made Simple

Finding the right component for a suspension can be a headache. On **MeritorPartsXpress**, we make it easy. With multiple search methods, only a few clicks stand between you and the component you're searching for.

1) [Xact Search](#). From the red navigation bar, select Xact Search, or use the Xact Search button on the home page. Next, select Suspension Identification to view the Suspension Identification Selector.
